YOUR ADVISORS GO TO BAKERSFIELD

On September 16-18th, your advisors were in Bakersfield for the Advisor Development Conference, also known as ADC. They attended sessions throughout the weekend, from New Advisor Training to How to Run a Successful Election. What the advisors really get out the weekend is the networking with other advisors throughout the state. We share

with each other everything from how our delegations run meetings, nominate and elect officers, train the new delegates in parliamentary procedure, to how to make sure all delegates and advisors understand the code of conduct. When not in sessions your advisors were having fun at casino night and winning prizes in the raffle!

Most of your advisors enjoying their time at ADC.

CPY HELPS OTHER DELEGATIONS

As you all know many people have been effected by Hurricane Katrina. In true spirit the Culver-Palms Family YMCA Youth & Government Program is hoping to help rebuild some of the things that were lost. The Mississippi and Louisiana YMCA Youth & Government Programs have been for the most part completely lost. Christopher, the State Director from Mississippi shared that, "About 25% of their dele-

gates have lost their homes, and almost all of them are having to go to new schools. The two schools that sent the largest delegations to our programs were severely damaged, and have yet to reopen." CPY is planning on sending a little help their way...

send the "CPY Hat" around. We hope that you can give what you can afford. Know that the money that you give is going directly to young adults like you. If you have any questions ask one of your officers or advisors. Thanks in advance for your support.

"As I have been getting in touch with our participants, it seems that Youth Legislature is one of the few bright points that they have right now."

At our next Delegation Meeting which is Thursday, September 29th we are going to

Halloween Haunt Date is set...we hope!

The date for our annual trip to Knott's Halloween Haunt has been set. Mark your calendars...Friday, October 14th. We

will be leaving the YMCA @ 5:30PM so you all need to be here by 5:15PM. It is going to cost you \$35.00 to go. Only Y&G Delegates can attend this event. Just an FYI...I am waiting for a phone call

from Knott's to confirm that we have our tickets. There is a chance that we won't get our tickets, I will keep you posted.
